

## Operation of a PT6A Turbine | FLY-IN EVENT

The reliability of a turbine engine is undeniable. Specifically, the PT-6 series of engines from Pratt & Whitney Canada has garnered worldwide acceptance as a bullet-proof design and as such can be seen under the cowl of hundreds of different aircraft models throughout the years.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
